

Curbside Collection

The Town of Exeter offers curbside collection of household rubbish, [recyclables](#), bulky waste, and limited leaf and grass pick-up. The Town's current contract is with Northside Carting, Inc. and covers all of these items.

Exeter's blue recycling containers must be used for Northside Carting to pick up recyclables. Any overflow should be placed in a cardboard box or container marked recyclable. Do not use any plastic bags (these are not recyclable). You can find your collection day by clicking on the Curbside Collection Schedule attached below.

****Please note:** Northside Carting has until the end of the day to pick-up rubbish & recycling. Pick-up times may vary due to various reasons including inclement weather. If your pick-up was missed, please **do not** report it to the Public Works Office until the following day.
